Resolution before Ward 1, Ward 8 NPA: May 9<sup>th</sup>, 2018

=====

Whereas Burlington's Municipal Plan includes a policy of encouraging the return of single family housing, especially in neighborhoods that have come to be disproportionately dominated by student rental housing, be it resolved that the City of Burlington and its Departments and Boards be called upon to firmly adhere to this policy and to the Comprehensive Development Ordinance through diligent action and enforcement to prevent and remove illegal units.
