Dear Deputy Wright

This is a clarification of my earlier request for training records of the Burlington Police Department. Thank you for your response.

Under the Vermont Public Records Law, §315 et seq., I am requesting an opportunity to inspect or obtain copies of public records of the following.

1. All records of expenditures for training of any sort including the type of training, date location, and instructors names and area of expertise if possible.
2. All records of expenditures related to attending free trainings, meetings, conferences and seminars including the subject of the meetings or training, location, instructors names and expertise if possible.

We want to help provide the public a window to see and understand the scope of police training and cooperation. We are particularly interested in international police training and cooperation whether it be on terrorism, financial crime or cybercrime.

We are requesting records for the Calendar years of 2011, 2012 and 2013.

If there are any fees for searching or copying these records, please inform me if the cost will exceed \$50.00. However, I would also like to request a waiver of all fees in that the disclosure of the requested information is in the public interest and will contribute significantly to the public's understanding of the qualifications of Burlington VT police. I am seeking this information as a member of an organization that advocates transparency in government. It will be passed onto VT newspapers. This information is not being sought for commercial purposes. The law requires a response to this request within 3 days, or within 10 days for extraordinary circumstances. If you expect a significant delay in fulfilling this request, please contact me with information about when I might expect copies or the ability to inspect the requested records. If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to

release the information and notify me of the appeal procedures available to me under the law.

Thank you for considering my request.

Yours sincerely, Marina Brown
