NARRATIVE:

On April 4th 2014 at approximately 1:41pm emergency services were requested at an address on Malletts Bay Avenue in Winooski, VT for a report of a 15 month old baby boy that had stopped breathing. The child was transported to FAHC where he was pronounced dead at approximately 2:06pm. The Chittenden Unit for Special Investigations was contacted by the Winooski Police and notified of the death. Investigators from CUSI responded to FAHC and began an investigation immediately.

On April 5th 2014 an autopsy was conducted by the Office of the Chief Medical Examiner in Burlington. **On 05-08-14 the office of the Chief Medical Examiner filed a death certificate in which the Manner of death is listed as "Homicide" and the Cause of death is listed as "trauma of head and neck".**

This is still an on-going investigation and no other details are available at this time.

Anyone wishing to obtain a very brief "sound bite" regarding this case can come to the CUSI office at 50 Cherry Street between 2:30 and 3:30pm today (Friday May 9th). Sgt. Warren will only be available during that time to meet with media.
