

East Avenue Traffic Calming and East Avenue & University Road Crossing Re-Design

After a neighborhood request for traffic calming and evaluation of available data, the Department of Public Works (DPW) has identified East Avenue as a priority street for traffic calming. **DPW and VHB invite you to participate in an Online Public Meeting to review the preferred design alternative and share your feedback.** Join us for a conversation about the preferred alternative for traffic calming along the roadway, as well as a potential re-design of the pedestrian crossing at the intersection of East Avenue & University Road. Please join us on **February 8 at 6:00pm** for an Online Meeting (meeting details below).
