

Burlington Water Resources

# VIRTUAL OPEN HOUSE

April 14th @ 7 pm

Join us to learn more about our Rate & Affordability Project and the new Water Resources Assistance Program (WRAP)

**TOPICS:** We will be discussing proposed changes that

- 1) make essential water usage more affordable;
- 2) provide bill discount opportunities for seniors and income qualified rate payers and;
- 3) better recover costs of service for certain types of water access (irrigation and private fire protection).

You can find the link to this event, review all progress to date including previous presentations, request an impact summary for your account, and find out whether you qualify for assistance by visiting:
