Subject: Housing Report

Hi Brian and Brian;

With regrets, I won't be able to make it this evening. I would offer support for working on more housing downtown. The lack of housing that is affordable was the second most significant issue for employers in our region in terms of employee recruitment. I would also ask that we not lose focus on the most significant need for low income rental units. If I can be of any assistance as you begin the hard work, please let me know.

Thanks,
Charlie
