

We All Belong AmeriCorps* State Program
Hosted by the City of Burlington's Community and Economic Development Office

Vermont's population is becoming more diverse and reflective of a global citizenry. The We All Belong Program works with Burlington area non-profits, schools and city departments to help **create inclusive workplaces** and to offer more culturally competent **services, events and programming** for Burlington's increasingly diverse community. The City of Burlington seeks to address issues of race and gender inequity by making organizational shifts in programs and services. AmeriCorps* State members support these shifts by serving with a participating agency as a full or part-time volunteer.
