

**USCM MEMORANDUM OF UNDERSTANDING**

- I. I understand that my participation in the Plan is governed by the terms and conditions of the Plan Document.
- II. The product information brochure and fund prospectuses are available upon request at [www.nrsforu.com](http://www.nrsforu.com) or by calling 1-877-NRS-FORU.
- III. The total annual deferral amount to all 457(b) plans is the lesser of \$16,500 for calendar year 2010 or 100% of includible compensation. Under certain circumstances, additional amounts above the limit may be deferred into the Plan if (1) I will attain age 50 or older during the current calendar year, or (2) I am within three years of Normal Retirement Age and did not defer the maximum amount in prior years. The Plan Document provides additional details about deferral limits. Deferrals in excess of maximum amounts are not permitted and will be considered taxable income when refunded. It is my responsibility to ensure my deferrals do not exceed the annual limit.
- IV. I may withdraw funds from the Plan only upon severance from employment; at age 70 1/2 (if deferrals have stopped); upon an unforeseeable emergency approved by the Plan; or I may take an one time in-service withdrawal if my account value is \$5,000 or less (as adjusted) and I have not deferred into the Plan for two or more years. In some cases withdrawal for purchase or repayment of service credits in a governmental defined benefit plan may be permitted. Additionally, funds may be withdrawn upon my death. All withdrawals of funds must be in compliance with the Internal Revenue Code and applicable regulations, some of which are expressed in the Plan Document.
- V. Generally, my distributions must begin no later than April 1st following the year I reach age 70 1/2. If I work beyond age 70 1/2, generally, my distributions must begin no later than April 1st following the year I have a severance from employment or retire. Please consult your plan document for further details. All distributions are taxable as ordinary income and subject to income tax in the year received. My distributions must be made in a manner that satisfies the minimum distribution requirements of IRC Sec. 401(a)(9), which currently requires benefits to be paid at least annually over a period not to extend beyond my life expectancy. **Failure to meet minimum distribution requirements may result in the payment of 50% federal excise tax.**
- VI. The funds in my account may be eligible for rollover to a traditional IRA or to an eligible retirement plan. The "Special Tax Notice Regarding Plan Payments" provides detailed information about my options. Due to important tax consequences related to distributions, I have been advised to consult a tax advisor. I expressly assume the responsibility for tax consequences relating to any distribution, and I agree that neither the Plan nor the Plan Administrator shall be responsible for those tax consequences.
- VII. I understand that all amounts deferred into the plan and earnings on the amounts deferred are held in a trust, custodial account or annuity contract for the exclusive benefit of the participants and their beneficiaries until such time as the deferred amount is made available to the participant or beneficiary.
- VIII. No more than 25% of total deferrals can be used to purchase life insurance.
- IX. For life applications that require further underwriting, as set forth under the Life Insurance options below, I authorize NRS to credit my life insurance deferrals to the other options I have selected. If coverage is approved, NRS has my permission to then remit the required premium to the life insurance company. In addition, I agree that any life insurance deferrals that are redirected, either pending approval of coverage or due to rejection of coverage, shall remain in those other options.
- X. If the life insurance coverage applied for cannot be issued, or if the policy terminates due to insufficient premium, my continuing deferrals will be credited to the annuity option(s) based on my then current allocation (unless I notify the Plan Administrator otherwise).
- XI. I understand that all products are optional. The Life Insurance options are not available unless a non-life insurance option is also elected.
- XII. I understand that I may make changes among the investment options within my account as frequently as daily, but any change may be subject to the restrictions of the plan and/or the investment provider. In addition, some mutual funds may impose a short term trade fee. Please read the underlying prospectuses carefully. Changes may be made by calling 1-877-NRS-FORU (1-877-677-3678) or logging on to [www.nrsforu.com](http://www.nrsforu.com).
- XIII. I understand I must defer a minimum of \$20 per month into the Plan to satisfy minimum plan requirements.
- XIV. I understand that no changes will be effective until they are processed in the Deferred Compensation Service Center.
- XV. Participants enrolling or electing to increase 457 deferrals must provide includible compensation data acceptable to NRS and notify NRS of any subsequent decrease in includible compensation.
- XVI. Availability of life insurance options and other investment options may vary by plan. I understand that if an allocation is made to a closed or unavailable investment option, the allocation will be made to the default option, the Nationwide® Money Market Fund. I understand that if the total investment option allocation percentage equals less than 100%, the difference will be invested in the default option, the Nationwide® Money Market Fund. I understand that if the total investment option allocation is greater than 100%, my application will be rejected and my allocations will not be processed.
- XVII. Nationwide receives payments from mutual fund companies or their affiliates. You can find more detail about this at [NRSforu.com](http://NRSforu.com)
